associated with that player unless the opposing team agrees otherwise. In this event, any incomplete rubbers will be forfeited at the end of the allocated time.

In the mixed doubles and men's doubles sections of the League, the number of occasions that you could field 2 couples in a match during the course of a season shall be no more than 50% of matches scheduled for that team. For example, in a league consisting of 6 teams, any one team may at most play with 2 couples in 5 matches.

d.) In the mixed doubles and men's doubles sections of the League, if the situation arose where you had 2 couples vs 2 couples, the match could be played with the result based on 4 rubbers. This leads to the possibility of a draw (2-2) with 1 point being awarded to each team. **This rule is not applicable to an internal Club fixture as per Rule 19e.**

12. The order of play will be settled prior to the commencement of the match. (Refer to the website, www.aberdeenbadminton.co.uk, for recommended order of play.)

13. a.) In the mixed doubles and men's doubles sections of the League, the team which wins five or more rubbers shall be the winner of the match. A winning team is awarded 2 points, a losing team is awarded nil points and in the event of a club gaining a walk-over, the club so gaining the walk-over shall be awarded 2 points, 9 rubbers and 18 games. The defaulting team shall be fined 2 points. In the event of 2 couples versus 2 couples please refer to Rule 11d.

b.) In the ladies doubles section of the League the team which wins two or more rubbers shall be the winner of the match. A winning team is awarded 2 points; a losing team is awarded nil points. In the event of a club gaining a walk-over, the club so gaining the walk-over shall be awarded 2 points, 3 rubbers and 6 games. The defaulting team shall be fined 2 points.

14. Matches started must be played to a finish. ~~For single court clubs, matches must be started at such an hour as will allow three hours' play.~~ Any match not completed at the end of a day's play should be completed at the earliest opportunity thereafter. In the case of a postponed match, the Website/ Scorecard Secretary should be notified immediately and the mutually agreed alternative date given at the earliest opportunity (see Rule 17). Any matches not played shall be held as void. The League encourages clubs to play all matches and discretion may be granted under exceptional circumstances.

15. The match secretary of the winning team shall, in a timely fashion of the completion of the match, send the result, with full details of opponents, venue, date, names of players, games and points by e-mail to

the Website/ Scorecard Secretary. The official match score sheets shall be used and are available on the website or on request from the Website/ Scorecard Secretary. **It is the league's recommendation that the secretary of each team records the scoresheet to avoid any potential discrepancies.**

16. The home team shall supply the shuttles, which shall conform to the requirements of Badminton Scotland. Feathered shuttlecocks shall be used.
17. a.) **A draft of the fixtures will be sent to all clubs before the AGM, giving each club the chance to scrutinise their fixtures and give the League a chance to make alterations if required. Thereafter, the date of matches shall be fixed after the AGM and shall not be altered except in the event of (i) a Badminton International held in the Group area, (ii) the League's Club Doubles Tournament falling on the date arranged, (iii) the courts for the match are not available for good cause shown, (iv) such other justifiable reasons which the League Committee in its absolute discretion shall determine a justifiable reason for postponement.**
 - b.) **The secretary of each team (home and away) must confirm their acceptance of the scheduled fixture at least 7 days prior to the match date, unless an agreement is otherwise reached. Notice of any postponement shall be intimated by the secretary of the home club to the Website/Scorecard Secretary and to the secretary of the opposing team. The home team will nominate two other mutually free dates and the away team must accept one of these dates unless agreement is otherwise reached.**
 - c.) **As per 17a, all matches scheduled ~~at the Central Venue~~ must be played on the fixed date unless, prior to the fixed date, an agreement is reached for an alternative date. Failing that agreement, the match will be played on the fixed date. If the match is not played, it will be declared null & void or forfeited and a walk-over claimed.**
 - d.) **Failing to comply with 17a, 17b, & 17c may result in the match being declared null and void or a walk-over granted. In the event of either team wishing to claim a walk-over, evidence of correspondence must be submitted to the League Committee whose decision shall be final.**
18. a.) To represent a club, a player must be a full paying member of the club. No player shall play for more than one club, in any one section of the League, in any one season without consultation of the committee. The player involved must submit in writing, reasons for deferral to the league secretary for the assessment of the committee. The committee reserve the right to accept/reject the proposal.

Sec., for the committee's consideration, a list of the club's top players as indicated below.
 - b.) For a club with 2 teams; the list should comprise the club's top 3 players (in the case of Ladies Doubles) or top 6 players (in the case of Men's or Mixed Doubles). These nominations are thereafter recognised as being the A Team players for that season.
 - c.) For a club with 3 teams; the ranked list should comprise the club's top 6 players (in the case of the Ladies Doubles) or top 12 players (in the case of the Men's or Mixed Doubles). The Ranks 1-3 (in case of Ladies Doubles) and 1-6 (in case of Men's or Mixed) will thereafter be recognised as A Team players for that season. The Ranks 4-6 (in case of Ladies Doubles) or 7-12 (in case of Men's or Mixed) will thereafter be recognised as B Team players for that season.

This rule can be applied in a similar fashion for clubs with 4 or more teams in the same section.

 - d.) Any player may play 'up' as many times as required to fulfil matches. However, players are not permitted in any circumstance to play 'down'. In the event of a team fielding an ineligible player in a match, the opposing team will be granted a walk-over and the defaulting team fined 2 points.
 - e.) In the mixed doubles and men's doubles sections of the League, in the event of a higher ranked team vs a lower ranked team match (i.e. an internal club league fixture such as A vs B, B vs C, or A vs C etc.) where there is one couple short, then the higher ranked team is required to field the full 3 couples and the lower ranked team can field 2 couples. NOTE: Rule 11c must be adhered to, but Rule 11d is not

applicable for such matches i.e. to play an internal club league fixture, there must be a minimum of 5 couples.

f.) In the mixed doubles and men's doubles sections of the League, in the event of a club having multiple fixtures against another club (or clubs) simultaneously (e.g. *Club 1's A Team vs Club 2's Team* occurs at the same time as *Club 1's B Team vs Club 3's Team*), the number of pairs fielded per team is at the discretion of the club, but Rule 11c must be adhered to.

g.) During the season, if a new player joins a club who is deemed to be a ranked player then written consent to the committee, via the league secretary, must be made to amend the nominated team players. Similarly, if a ranked player leaves a club during the season then written consent, via the league secretary, should be sought to amend the nominated list of players.

20. Any protest arising from a match must be made in writing to the Hon. Secretary of the League committee within 7 days of the said match, and in any event before the **31st March** at the end of the season.
21. The League committee reserve the right to refuse any entry to the League or any other tournament organised by the League.
22. Any alteration to the Constitution and Rules must be made at the AGM, and clubs wishing to propose any amendments should intimate their proposals in writing to the Hon. Sec. no later than the 1st August for consideration at the next AGM.
23. Any dispute between clubs shall be referred to the League committee whose decision shall be final. Make note that the committee will always favour the playing of badminton matches to decide league standings. The League committee will have absolute discretion as to the interpretation of the constitution.
