

for the benefit for those who cant open docx files,

Ian -

To Club, Match and Scorecard Secretaries of ALL clubs,

There has been a dispute in the Ladies Division 2 that the committee have had to review.

The League Website for the said Division will be updated in due course.

Firstly due to exceptional circumstances with the Police all Grampian Police BC's matches have been declared null and void.

There were 2 claimed matches in that league and following review of evidence provided by all parties the committee found -

1. Westhill BC's claim on the match Vetco Gray BC vs Westhill BC has been upheld.
2. Beacon BC's claim on the match Westhill BC vs Beacon BC has been deemed NULL and VOID

The following findings from the committee meeting held on Monday 8/6/09 should be noted by ALL club, match and scorecard secretaries in the future.

- ANY claim on matches must go through the League Secretary, only fulfilled matches go to the Scorecard/Website Secretary.
- All correspondence with the Committee must also go through the League Secretary who in turn communicates this to the remaining committee members.
- Also in the spirit of the game there must be attempts to play all matches, as the committee will always side towards the teams that demonstrate their willingness to play rather than claim matches
- FINALLY it should be noted that almost all matches at the central venue were fulfilled and issues that have arisen over the last few seasons have come from clubs outside of this where there are possibilities to reschedule dates given to them by the committee.

On behalf of the Committee,

Kind regards

Ian Wright

Aberdeen & District Badminton League Secretary
