17 Games with no Scorecards sent in (so haven't been entered into the system)

168 Total number of matches that could have been played this season

90 % of scores were entered into the system

All matches listed will be declared as "Null and Void" if no scorecard is received by Wed' 9th May

	= Game (to the best of my knowledge) has been played, but no scorecard has come in yet
	= Match is still to be played, date hasn't come yet
	= Match is still to be played, date has passed
	= Club/Match Secretary has confirmed that the match has been postponed or rescheduled
	= League Committee (or the teams) agree to the match being Null and Void
Nothing	= There has been no confirmation one way or the other as to the status of the match
