

Seven intrepid explorers from Well Completion Technologies take on the three peak, 6 mile, “challenge” of Bennachie. Will they survive to tell the tale? Keep reading to find out!

At the top of the first peak; Mither Tap
Craig, Alexei, Nicola, Ken, Fahmi, Abdul and Stephen

A glorious evening for a walk!

At the top of the second peak; Oxen Craig – will this walk (or should that be purgatory) ever end?

Fahmi seems to smoking an invisible Gauloise

Cool dudes !

Yeehaa – the third (and final) peak; Craigshannoch

Who are those crazy fools ?

Dasvidanya comrades

The last break before heading back to the cars – Craig's having a nap!

Guys – wait up – I promise to never suggest heading to Bennachie ever again!

14th June 2011;
 Leave work 4:00pm
 Start walking 4:45pm
 Top of Mither Tap 5:45pm
 Top of Oxen Craig 6:30pm
 Top of Craigshannoch 7:00pm
 Finish walking 7:45pm
 Back home 8:30pm

And yes, everyone did make it home safely – no Engineers were harmed in the making of this story!
