

## Portlethen Moss Spider Event - August 2013-10-25

The event was held on 10/8/2013 and two surveys were carried out on 7-8/8/2013. This list includes the results of all three visits.

### Species Lists:

Spiders 35 species

Theridiidae (combfooted spiders)	Enoplognatha ovata	♀ in rolled up leaves
	Theridion impressum	
	Poeciloneta variegata	
	Neottiura bimaculata	
Lycosidae (Wolf spiders)	Pardosa amentata	
	Pardosa nigriceps	
	Pardosa pullata	
	Pirata piraticus	Found around pools/wet areas
	Alopecosa pulverulenta	
Thomisidae (crab spiders)	Ozyptila trux	
	Xysticus cristatus	
Araneidae (orb weavers)	Zygiella atrica	On gorse
	Araneus quadratus	Very large common on heaths
	Araneus diadematus	
Metidae (orb weavers)	Metellina segmentata	Common on grass and bushes
Dictynidae (meshweb spiders)	Dictyna arundinacea	Usually on heather tops
Tetragnathidae (long jawed orb weavers)	Pachygnatha degeeri	
Linyphiidae (money spiders and hammock spiders)	Linyphia triangularis	Very common on grass and bushes
	Lepthyphantes zimmermanni	
	Lepthyphantes mengei	
	Lepthyphantes ericaeus	
	Peponcranium ludicrum	
	Ceratinella brevipes	
	Gonatium rubens	
	Drapetisca socialis	On tree trunks
	Gongylidium rufipes	
	Cnecephalocotes obscurus	
	Pocadicnemis pumila	
	Metopobactrus prominulus	

	Centromerus arcanus	
	Maso sundevalli	
	Microlinyphia pusilla	
Clubionidae (foliage spiders)	Clubiona trivialis	
	Clubiona reclusa	♀ In rolled up leaves
Nesticidae (cellar spiders)	Nesticus cellulanus	Under overhanging ditch bank

Harvestmen 2 species

	Mitopus morio	
	Paroligolophus agrestis	

Miscellaneous

Beetles	Coccinella heiroglyphica	Heiroglyphic ladybird
	Lochmaea suturalis	Heather beetle
Ants	Myrmica ruginodis	
	Formica lemani
