Portlethen Moss
(Proposed) Local Nature Reserve

There has been (29th Apr'07) quite a successful clean-up of the Moss – when around **60 black bin bags** and a **full skip of rubbish** were removed by **local volunteers!** **Please**, if you are a local home owner – do not fly-tip (either household **OR** garden waste) in this area, we would urge you to use the waste facilities at ASDA (available each Saturday).

Ken Watson, 30th April 2007
